

PROFESSIONAL EXPERIENCE

- Junior Associate – GTM & Engagement**
The/Nudge Institute
Support engagement strategies and executed programming for high-impact convenings (2000+ participants) across the social sector. My work involves researching and writing session briefs, liaising with internal and external stakeholders, and ecosystem-building across the government, social enterprise, and corporate sectors to support thriving and resilient livelihoods.

Founding Member
Savitri Social Labs
Social design lab working on projects related to social innovation and sustainability in Vadodara. Currently growing an urban permaculture green space where I research and experiment with circular use of resources. Projects include curriculum development for student-led greening of unused school plots and managing Be Here Now, a two-year-running eco-arts and music festival.

Interim Program Manager
Saxena Center for Contemporary South Asia, Brown University
Coordinated the internal operations of the Saxena Center, including handling administrative tasks, logistics for visitors, and managing lectures and events between scholars, practitioners and public intellectuals in research and teaching in modern South Asia

Documentary Intern
Surabhi Tandon (Filmmaker and Video Journalist)
Remotely supported research and creative development for documentary storytelling on urban Indian issues. Contributed to sequencing, pitch materials, and thematic research.

Digital Intern
SRISTI (Society for Research and Initiatives for Sustainable Technologies and Institutions), Ahmedabad
Laid the foundation for a digital rural technology database by cataloguing two decades of grassroots knowledge through video, audio, and interview sources

Research Intern
Mazdoor Kisan Shakti Sangathan (MKSS), Rajasthan
Collated primary and archival documents to track the trajectory of labor laws originating from the National Advisory Council I also conducted on-ground fieldwork and surveys related to the Forest Rights Act in Rajasthan.
